Thrive

Community Support Circle

555 Spence Street, Winnipeg, MB R3B 2R9

Thrive Resource Centre (TRC) is a kind, safe and inclusive place where knowledgeable staff create a very warm and inviting environment. Community members actively interact, seek out and enroll in our programs, workshops and groups to receive the supports, resources, referrals and services of Thrive. We support our community with enthusiasm, compassion and acceptance.

Thrive Therapy Department (TTD); The most important and key part of any approach is that it is client led, meaning each person/couple/family will take the lead in deciding the path of their journey. Therapists also are trained to understand the impact of systems, i.e. medical, social, family systems and can understand that these systems are to be considered when exploring avenues for health and well being. We also provide Crisis Counselling. A crisis refers not just to a traumatic event or experience, but to an individual's response to the situation. Crisis counselling is an intervention that can help individuals deal with the crisis by offering assistance and support.

Thrive Child Care (TCC) is the licensed early childhood program . We believe that early learning experiences create a foundation that fosters children's social, emotional, physical and cognitive development. Our inclusive environment welcomes all children and families while embracing their uniqueness and individuality. We believe it is important to create positive relationships with parents, guardians, and caregivers, as we are all working together for the brightest possible future for the children. We are committed to providing young children and their families with a quality program.

Thrive Thrift Shop (TTS): Volunteers gain employment references, fulfill mandated court orders, obtain volunteer reward benefits from EIA, interact with the community and so much more. Our awesome volunteers help to support community needs and by doing this we can offer a valuable service by providing affordable clothing, toys, linens & household items.

Together We Thrive

Thrive Community Support Circle is a diverse agency dedicated to offering services that are inclusive to all persons, in all stages, to cultivate life, provide opportunities for empowerment, and to grow the community we serve.
